Who are we?

Project SEARCH is a unique, business-led, 9 month internship program that takes place entirely in the work place.

MARC, Inc. of Manchester has partnered with both **Goodwin University and Hartford Hospital** as our host sites.

Our program allows each intern to be immersed in a workplace setting giving hands on experience that will increase their skills and abilities.

These experience they gain will enhance their chances at getting independent jobs in the community and reaching their ultimate goals!
