Thursday, May 7, 2026

Time: 4:30 - 5:30 pm

Location: Training Center, MARC, Inc. of Manchester,  
161 Sheldon Road, Manchester, CT

Project SEARCH is a unique, nine month program for adults with disabilities that takes place in the workplace September - May.

MARC, Inc. of Manchester has partnered with Hartford Hospital and Goodwin University as our host sites.

Our program allows each intern with a disability to be immersed in a workplace setting, giving them hands-on work experience. The experience they gain will enhance their chances at finding competitive employment in the community upon graduation.

## Who is Eligible?

- Adults ages 22 and up with a strong desire to work and demonstrate the potential for independent competitive employment
- Residents of CT with access to reliable transportation
- Adults with a case manager receiving DDS funding for employment
